

CASA FRYZER ,MEXICO

CASA FRYZER , 6 BEDROOMS , 10 BATHROOMS

OVERVIEW

Occupying on a prime vantage point atop the exclusive community of Villas Del Mar, the 6 bedroom Casa Fryzer is a luxury villa rental that has also been cited one of the most unique homes in Los Cabos. This magnificent residence offers its guests expansive living and dining areas, which are both elegant and capacious. Care has been taken to create an ambience of refined comfort, with select sculptures and art placed throughout the villa that intrigue and inspire.

Internally Casa Fryzer provides all modern conveniences including: a home theater, wine cellar, office with pool table, an ocean-view fitness room and high speed Wi-Fi. The properties fully equipped, state of the art kitchen features a center island bar, perfect for entertaining.

Six spacious and immaculately finished bedrooms accommodate up to twelve guests. Children are welcome. Each individually designed bedroom enjoys an en-suite bathroom, air conditioning and a satellite television. Two suites have direct access to a contained outdoor space with private spa.

Outside you will be swept away by a contoured infinity pool with swim-up bar and inset lounging areas. What could be as blissful as a well deserved soak and glass of something special in the ridgetop hot tub, which showcases truly spectacular views. The 'al fresco' experience is rounded out with an outdoor shower, a large open terrace, ample space for dining, a fire pit, a barbeque and a pizza oven. Throughout your stay your private chef will be happy to curate menus to your tastes.

The expansive Casa Fryzer is located in the private resort community of Villas Del Mar in Los Cabos. Villas Del Mar has welcomed many high profile guests, from celebrity entertainers and royalty to Fortune 500 CEOs, looking for the privacy and anonymity that cannot be found at traditional resorts.

Housekeeping, security, a property manager and butler are included as standard with your reservation.
